Authentication system through the Ostium system

Type of authentication

Dear student,

sending an application to participate in the Laziodisu Sole Call to Competition can only be done in digital format. The new method entirely replaces submitting a paper application. To allow for your unequivocal recognition by the system, you will receive a PIN code via SMS which you must keep very safe. It is, in fact, the only way that the system can identify you and thus, interact with you. All the information and statements entered in the on-line form, confirmed by your PIN code, are deemed to have been signed by you and to be true until contested as false.

Please confirm the mobile phone number entered in the system where you will receive the PIN code.

In the event of any variation, you must follow the procedure to change your mobile phone number.

First-year students referring to the ADISU in Cassino are informed that, as a result of a change in office location, PIN requests by registered letter should be sent to the following address: ADISU di CASSINO-Viale dell'Università c/o College Studenti Folcara-03043 Cassino (FR)-Italy.
